For Tax Receiver

To the voters of Carroll County,

I take this method of letting you know a new method of collecting the Tax Receiver's duty which I have adopted, having the utmost interest of the County in view, to bring the revenue into the hands of the County as speedily and as thoroughly as possible.

It is for the interest of the County that the matter is brought to a decision that the best man shall be put into office. The contest will be a great advantage to the County and to this office, for the benefit of all classes, and also for the rise and the falling of the better man at the hands of the people, and if the contest is brought to a decision, the people of this County will please the better man.
