From now until the balance of our stock is exhausted we will sell anything in the millinery line at ONE-THIRD OFF of the regular price. This includes everything in the way of trimmed and untrimmed hats, ribbons, velvets, flowers, etc.

Remember, the above prices are on everything in the millinery line and are being made in order to move everything now on hand, so if you need anything in this line be sure and get at once as the quantity is limited and will not last very long.

20 Per Cent Off on Clothing

The balance of our stock of men’s and boys’ suits and odd pants will be put on sale at 20 per cent off in order to clean up our fall stock, which will be coming in in August. All those bought at our stock-reduction sale last fall will remember the unprecedented values they obtained, and we believe we are in a position now to give greater values than ever before, as we think our clothing this time excels any that we have ever had. Come early if you need a suit or pair of pants, for the earlier buyers will get the best values.

Beverly

Our part of the moral vineyard is good going. Our crops are fine and we are doing business again. We are all on the lookout for new licenses in the Rockport and Dallas paper trades.

W. J. Pugh went to Dallas recently and went to the main office of the bank to see how his loan stood. McKeehan was telling a store not to hush his name and he was afraid of a short donor.

The former was asked to join the firm of Dallas August 1st.

Sunday, August 1st, we had the debtors to clean up and decorate the atmosphere at Beverly.

The legislature is talking of taking taxes away. Let us beware.
