GRAND CIRCUIT RACES AND GREAT CATTLE SHOW, FEATURES OF FAIR

NO STRUGGLE. There is one place in the State of Georgia, and Dalton's one of the leading seats in the land, and when the capital comes to the show, and when the cattle are driven to the market to be sold, then the pictures of the city are haunted by the farmers of the State. The buildings are crowded with people, and the streets are filled with the noise of horses and the clatter of feet. The sun is shining bright, the air is warm, and the town looks very gay.

The Grand Circuit Races and Great Cattle Show, which is about to be held here, will be one of the most important events of the season. The races will be run on the first and third Mondays of the month, and the cattle show on the second and fourth Saturdays.
